The Rotary Club of Paradise (RCP) agrees to provide bartending services for the event listed above. The RCP will supply the liquor license, alcohol, soft drink, water, wrist bands, drink tickets, and disposable drink containers. The RCP will not supply coffee, tea or other complementary (non-fee) beverages. The RCP will provide the bartenders as well as the task of set-up and take-down of the bar supplies and equipment. Set up and take down of tables and decorations are the responsibility of the Requesting Organization.

The RCP will determine the pricing and the type of drinks sold unless the Requesting Organization notifies the RCP prior to the event of their preferred pricing and drink types. Items requested and not in our inventory will be invoiced at full bottle prices regardless of how much is used.

All drink purchases will be made through a drink ticket system. The RCP will provide the tickets, cash drawer and change. Drink tickets will be purchased at a separate location from the bar. Each ticket will have a value of \$1.00. Drink tickets will then be used to purchase drinks. No cash transactions at the bar. It is agreed that staffing for ticket sales will be the responsibility of the Requesting Organization.

The Requesting Organization will hold the PRC, its Directors, members, agents and representatives, free from all liability and claims which may result from the bar services provided. It is the Requesting Organization's responsibility to monitor excessive alcohol consumption of guests and to ensure alternative transportation is available when necessary.

The RCP will maintain all cash from ticket sales. The Requesting Organization will receive from the RCP one-third (33%) of the gross receipts. The remaining two-thirds (67%) of the gross receipts will be used by RCP to cover the bartending expenses. Any remaining net revenue will be retained by RCP. The Rotary Club of Paradise and the Paradise Rotary Foundation support local and international charities.
