Date of Event: 7 October 2023

Time: 1pm-6pm

Location: Paradise Depot Park, corner of Black Olive and Pearson

The Rotary Club of Paradise is reviving the Blues and Brews music event. The event historically was held during the Saturday afternoon of the Chamber's Johnny Appleseed Days. The money raised from this event helps sustain the club's "Service Above Self" scholarships for high school seniors. This year, we are offering businesses and people in the area an opportunity to assist in our commitment to the community by becoming a sponsor. By doing so, you will not only be helping our graduating students with their trade school or college expenses, but you and or your business will get some well-deserved publicity as well.

Show your support for the Community, sponsor the revival of the wildly successful Blues and Brews event. We expect to have hundreds in attendance. Your sponsorship entitles you to advertise your business with banners, announcements during the event, listings in our ads and social media and so much more. Show your support for our future tradesmen and leaders by contributing to the many scholarship opportunities supported by Rotary and be a part of a fun and worthwhile event.

Our **Service Above Self Scholarships for High School Grads** are unlike traditional scholarships that only reward the highest scholastic achievers. Our scholarships go to students that have shown a high degree of involvement and service to our community. Students that not only know the value of graduating but also making their community a better place to live through their efforts.

Be a part of our philanthropic endeavors and help the Rotary Club of Paradise support our students that strive to make our Community and World a better place to live.

Thank You

Dean Fender and Ron Jones
